秋风词

秋风清，秋月明，
落叶聚还散，寒鸦栖复惊。
相思相见知何日，此时此夜难为情。
入我相思门，知我相思苦，
长相思兮长相忆，短相思兮无穷极，
早知如此绊人心，还如当初不相识。

府安
An Residence

Don't mind it, Miss Fue

The young master's body is weak.
so the marriage shouldn't be too ostentatious.
Mn.
Aiyo~ if your family's Miss Fu'er were to be betrothed.....

—— at most it would be to a low-born scholar!
The An family is one of the most affluent families in the city! If not for their birthdates being compatible, Miss Fu'er never would have been chosen.
But, I heard that Master An...
Aiya!
It's true that his body is a bit lacking. To tell you the truth, the An family was in a hurry to find him a wife.
The reality is that they wanted to cure him through a prosperous marriage. Even in the event that he were to depart from us, Miss Fu'er would have no worries about food or clothing!

If I consent, and Fu'er were to suffer...
I will have harmed her.
Miss Lu.
Aiyo!
Miss Fu'er, this is quite the wonderful marriage!
Fu'er, Be careful.

Miss Lu,
I'm willing
麵

It's fine if the wedding is deserted! But you know that Master An was sickly, and yet you're still so impatient!
If I don't try,
how will I know whether or not the person I search for with all my heart is waiting for me too...

吱
Fu?

Your name sounds nice.
It suits you.
Master Ari
If you doubt my looks, shouldn't you lift the red veil to take a look? If I look repulsive, then quickly send me back to my mother's family.....!
Sorry... I... don't have any way to see you.....
.....?
You...!

南湖南
Southern Lake House

What?
He's blind?!
It's fine if he's sickly, but he's even blind!!
You may as well get divorce papers and come back!
You're so tense,
Fuer has yet to say anything.

It doesn't..... seem that bad.
We really are unlucky, being sent to serve that young lady!
I heard that her birth can't even match ours
If the young master weren't so sick, that sort of girl could never marry into the An household!
She must think flying onto a branch will turn her into a phoenix!

Grab!
Young master!!
Young— young lady!
Kneel
I've kept you waiting.

The young lady says that you have served her well,
follow the butler to receive your reward.
Eh?!
Th..... thank you, young lady!
Thank you.
As husband and wife,
there's no need to say thanks.
In a moment, we'll go see Mother and Father. Don't be nervous.
If you feel embarrassed, I'm here.
Grasp
Ma.

Mother.
Please drink

Falen?
뚜

Shuo er!
Really now!!

If you regret it,
you can come at any time to get your belongings from me.
and then leave.

Miss
Miss
Please bring us with you.
Sure,
but don't regret it.

?
Did I disturb you?
This is lotus seed soup
I believe you will like it
You got it from the kitchen?
Why didn't you have servants follow you, if you were to fall and hurt yourself ...

Sorry..
It's fine
Every tree and every blade of grass here,
I am familiar with.
I... have never left this house.
But like a trapped beast, I can still struggle.

A couple months later...
Lord and Lady, if I may have a word.

I've forgotten how to take the medicine.
Fu er, could you go ask the doctor for me? I'll be waiting for you inside.
Yes.
You heard what that doctor said!
Shuo er's body has gotten much better!
It's time for us to drive that woman away!
Like this, we're destroying the bridge that we used to cross the river. Isn't it bad?
Husband! Ever since Shuo er married that cheap slut, I've been ridiculed by our relatives and haven't dared to go outside!

Even if we don't drive her away, we must still have the Jin family's eldest daughter become Shuo er's first wife!
Then it's decided!
Clench
As I thought
Love in the human world is nothing but a farce!
啪!
It's better to obediently return to Miss Lu!
噗

?
This is.....
I only wish that your heart were like mine.

so that I may not disappoint your affections.
Drip!

I have a bad feeling.
Miss Lu.
Faint -
Fu'er, how have you come?
Has the An family treated you badly?
I want to ask you to return my things.
You've decided to go back?
!

Since Shu'er married you,
there's no other option. In a few days, we'll be welcoming the Jin family's eldest daughter. You can move to the countryside and live in another house!
Mother and Father... don't like me very much.
It's fine.
Shu liking you is enough.
Shuolang.
If... you could have one wish come true.....
What would you want?

If I could think wishfully,
then I'd want my eyes to be able to see.....
Shualans...
want to see my appearance?

Sorry..... even if "remember always" is just wishful thinking,
allow me this promise.....

U17.com

Shuolans, you must remember me
Faer! You..... what's wrong?!
咔!

My eyes.....

Having once existed in your heart... is enough.
呵呵!

You really
are as beautiful as you were in my dreams.

But I didn't get the chance to say
What I wanted to see most was only you.....

The night-blooming flower
wilted in the end.

Fu,
you must care for your flower spirit! Once it's gone, it won't come back!
Worry about yourself, Mu.
You're so careless.
Don't use your flower spirits lightly to grant people wishes
In exchange, you will disappear.
Mn!

Southern Mist's single print editions have been on the market for three and a half months now. I'm extremely grateful for everyone's support. I hereby update with the fifth chapter, 'Night's Passing'.

At first, there were readers that said we had bad intentions and purposely did not update on UM to force readers to buy the print editions. We did not think of it that way, rather, the manhua is enjoyed by everyone, liked, and judged. We were all very happy, and only wanted those that supported Southern Mist's single print edition to be able to read the stories earlier. Even if you haven't supported our single print editions, the small views count on UM are still a great support to us. Thank you everyone.

Coming up is the Yunnan Expo on February 21 and 22. Because we're new, we don't participate in many events in a year, so we especially cherish every opportunity to interact with our readers. This time we're very grateful to the Yunnan Expo for inviting us. We also hope our friends that happen to have time will bring copies of the Southern Mist House to see us. We want to hear you tell us which characters you liked, and also which stories.

Signing time is: 1 in the afternoon on the 22nd.

Otherwise, we'll all be at the SUMMERZOO stall waiting for everyone!
